--	------------------------------------

**ORDER APPROVING TARIFF AND ISSUING CERTIFICATE**

(Issued November 26, 2001)

On October 26, 2001, Digital Telecommunications, Inc. (DTI), filed a proposed tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps of Qwest Corporation. On November 13, 2001, DTI filed revisions to its tariff. The proposed tariff has been identified as Docket No. TF-01-291.

On October 19, 2001, the Board issued an order in Docket No. TCU-01-18, approving DTI's application to provide service in the listed exchanges and approving the concurrence in the Qwest exchange maps. The order states that a certificate would be issued when DTI obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa, and when DTI gave notice to all affected local exchange carriers. DTI requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains rates for both business and residential customers. Notice was provided to all affected

carriers. The Board will approve the tariff effective the date of this order and issue DTI a certificate of convenience and necessity concurrent with this order.

**IT IS THEREFORE ORDERED:**

1. The tariff filed by Digital Telecommunications, Inc., on October 19, 2001, and its revisions filed on November 13, 2001, are approved effective the date of this order.

2. A certificate, identified as Certificate No. 0242, is being issued to Digital Telecommunications, Inc., concurrent with this order.
